GOVERNOR'S FY 2023 STATE BUDGET

While no one can say for certain at this time what the revenue consensus from the above referenced conference may mean for future state school aid budgets, one indication will come when the Governor unveils her proposed budget for FY 2023. Of course, the budget cycle will then run its full course through the legislative process before enactment in appropriation bills. Also, the Governor's State of the State address is scheduled for January 26, 2022 which may include education news.

JANUARY PAYMENT INFORMATION

The January state school aid payment is the fourth regular payment of the 2022 fiscal year. The payment will be electronically transferred to the districts' accounts on Thursday, January 20, 2022.

Taxable value - The January payment continues to use the beginning 2021 tax roll non-homestead taxable value data, as provided by the county treasurers via the web based taxable valuation collection process by December 21, 2021. These data can be viewed by school district personnel on the [Department's Taxable Value Management System](#) website.

Pupil membership - October 2021 unaudited pupil count data reported to the Center for Educational Performance and Information (CEPI) via the Michigan Student Data System (MSDS) by December 27, 2021 were used in the calculation of the blended membership count for the January payment.

SUPPLEMENTAL COUNT DAY

The second count date of the school year, February 9, 2022, is quickly approaching. As a courtesy to the field, the Department would like to remind all districts that schools must be open and scheduled for regular instruction on each count day prescribed in legislation. Only a district that is not in session on that day due to conditions not within the control of school authorities will be allowed to use the immediately following day on which the district is in session for count purposes, and only if the district requested and received written approval from the Department for the alternate count date. If your district was closed on count day due to unforeseen conditions, please use the following form to request an alternate count date: <https://fs10.formsite.com/SASF/form8/index.html>.

SECTION 101 – SCHOOL DAY CANCELLATIONS AND FORGIVEN TIME

Section 101 of the State School Aid Act (MCL 388.1701) remains the same as in past years with regard to the cancellation of instructional time. The language continues to grant districts six (6) days and/or the equivalent number of hours to use toward cancellations that occur due to conditions beyond the control of school authorities, commonly referred to as “forgiven time” or “snow days.” Language remains that grants the State Superintendent the authority to grant up to three (3) additional days or equivalent hours cancelled as instruction, provided the cancellation is due to unusual and extenuating circumstances resulting from conditions not within the control of school authorities. Districts must provide strong rationale supporting why these days cannot be rescheduled before the end of the school year. Applications for additional forgiven time are only accepted through the [online form](#). Questions regarding this item should be directed to Jessica Beagle at BeagleJ1@Michigan.gov.
